

GRANITE SHOALS SEWER SYSTEM SURVEY

Our Town Hall Meeting is scheduled for Saturday, Feb 22nd at City Fire Station at 1pm for discussion and resident input on Potential Sewer System. Please return this survey by March 7, 2014. Thank you.

1. How would you classify yourself in Granite Shoals? (Please circle all that apply)

a. Full-time resident	c. Business/Rental Property Owner
b. Seasonal/Weekend resident	d. Vacant Land Owner

2. If you indicated in Question 1 above that you own vacant land in Granite Shoals, do you intend to build on it within the next five years? Yes No

3. Do you believe that Granite Shoals **needs** a sewer system? Yes No
 If you answered no, Please share your thoughts why. _____

4. Would you support a sewer system primarily for the 1431 business corridor to foster economic development? Yes No

5. Which of these proposed purposes for a sewer system would be more important to you? (Please mark your priority in order from 1 to 3 with 1 being the most important and 3 being the least.)
 - ___ Protecting the lake and/or groundwater
 - ___ Encouraging business & residential development
 - ___ Increasing property values

6. If a property tax increase were enacted to fund a sewer system, what should the priority for service areas be? (Please mark your priority in order from 1 to 3 with 1 being the most important and 3 being the least.)
 - ___ Business district (RM 1431, the school and other commercial/industrial areas)
 - ___ Off-water residential zones
 - ___ Lakefront residential property streets (both sides)

7. Would you support a property tax increase to fund a sewer system? Yes No

8. Would you support a property tax increase to fund a sewer system to be implemented in phases, even if the timing of future expansions (including your property) were not guaranteed? Yes No

Optional * Comments and/or your name and property address:

Note: If you have ‘Over 65’ or ‘Disability’ Homestead Exemption, your city property taxes are frozen and you will pay no additional city Homestead property taxes unless you make improvements to your Homestead property.

If voters approve a sewer system there will be a monthly sewer service fee, and may be a connection fee, payable upon hook up to service.
