Stage 2 Water Restrictions (Revised)

Are in effect for all Granite Shoals Water Customers

As of 13 May 2014-- until further notice

(Per New Drought Contingency Plan-13 May 2014)

Stage two (2) restrictions –One day per week landscape watering
Mandatory for all retail water customers- penalties may apply

Goal: Achieve a twenty (20) percent reduction in water demand

These water-use restrictions are **mandatory** for all retail water customers:

Limit watering landscaped areas by sprinkler to one day a week watering schedule.

Wednesday – Odd Address Thursday –Even Address

Outdoor watering from midnight to 10 a.m. and from 8 p.m. to midnight on designated watering days only. Bucket or hose watering permitted any time.

Do not wash motor vehicles, motorbikes, boats and other vehicles **except during outdoor watering hours on your designated watering days**. Only use a bucket or hand-held hose equipped with a shutoff nozzle. (Exception: Commercial car washes, service stations and vehicles such as garbage trucks and those used to transport food and perishables.)

Filling, refilling or adding to indoor or outdoor swimming pools, wading pools or Jacuzzi-type pools is prohibited **except during outdoor watering hours on your designated watering days**.

Do not operate ornamental fountains or ponds unless it is necessary to support aquatic life or the ponds are equipped with a re-circulation system.

Limit water use from hydrants to fire fighting and related activities. Exception is possible for construction purposes if a special permit is obtained.

Restaurants should serve water to patrons only upon request.

Do not wash down sidewalks, walkways, driveways and other hard-surfaced areas or use water for dust control.

Do not wash down buildings or other structures, other than for immediate fire protection.

Do not flush gutters or cause accumulation of water in gutter or street

Repair all leaks as soon as possible, including broken or misaligned irrigation or sprinkler heads, leaking valves or leaking faucets.
